Net Gaming strengthens management team with new CTO

Net Gaming has recruited Clinton Cutajar, 35, as its new CTO (Chief Technology Officer). Clinton Cutajar's most recent role was at Catena Media, where he was Head of Tech Operations, in charge of operations, integration of M&A's and IT architecture. He holds an M.Sc. in Information Security from the University of London and a B.Sc. in Computer Science and Artificial Intelligence from the University of Malta. Clinton Cutajar will be part of the Company's management team.

"We are pleased that Clinton is bringing his experience to come and join us at Net Gaming. Our focus on growth places high demands on maintaining a fast pace in the development of our proprietary systems, the launching of new digital brands and infrastructure," comments CEO Marcus Teilman.

Clinton Cutajar will take up his new position by 24 September 2018 at the latest.
