

## Press Release

Net Gaming Europe AB (publ)

29 November 2019

## Further bond repurchases

**Net Gaming Europe AB (publ) has made further repurchases of the Company's own corporate bonds on the market corresponding to a nominal amount of SEK 30 million.**

The repurchases are related to the Company's own bond loan which has an outstanding nominal amount of SEK 375 million. Including the previously communicated repurchases, Net Gaming's bond repurchases are SEK 67 million. Net Gaming's bond loan is listed on Nasdaq Stockholm's Corporate Bond List under the ticker "NETGAM002". The bond has a variable interest rate of Stibor (3m) +7.25 percent and matures in September 2020.

"We continue our repurchases on the back of our strong cash conversion and our significant cash position. By resuming our bond repurchasing, we reduce our gross debt and our interest expenses, which in turn enables us to continue optimisation of the Company's capital structure in order to create shareholder value," comments Net Gaming CEO Marcus Teilman.
